After more than three years of rappelling from helicopters, directing artillery rounds in field exercises, and guiding Soldiers on missions through the wilderness, I have transitioned out of the military from my position as a Captain in the U.S. Army with an honorable discharge.

I am currently a Global Operations Manager for Grid Ventures, Arc10, where I am utilizing the strategic planning and leadership skills ingrained in me through my training [Show More...](#)

Overview

Michael Scissons is a Canadian Internet entrepreneur based in New York where he is a partner at Grid Ventures, a startup studio focused on creating the businesses that change the way companies work.

Early successes include FlashStock (www.flashstock.com), that has grown in the previous three years to be the global leader in Content as a Service, changing the way the world's top enterprises source content.
